Quiet Spaces Provision at break and lunch

In addition to our Wider Achievement and Extra-Curricular Activities calendar that we shared with you in the last issue, we are attaching a copy of our 'Quiet Spaces' provision to you along with the update today.

Our Quiet Spaces provision is a support for any learners who feel that going to an outdoor space or to a large and busy social space at break time or lunchtime would make them feel overwhelmed or anxious. Teachers have volunteered to welcome pupils who would prefer to be in a smaller, quieter space. Pupils are welcome to come to these spaces either alone or with a small group of friends.

Proposed New Primary School and Catchment

Education Scotland are visiting our school on Wednesday 9th October to gather views from some of our pupils regarding the proposed new primary school within the Gilmerton Station Road development, and the proposed changes to the catchment areas for both Liberton High School and Gracemount High School as a result.

You received an e-mail from us on 22nd August, outlining the proposed changes and providing details of a consultation. The letter is attached to this update again now in case you have not had a chance to read it.

In addition to Education Scotland meeting with some of our pupils, they are also offering the opportunity for our families to feed their views into the consultation, via an online meeting on Microsoft Teams. All families of our current pupils are welcome. It takes place on **Wednesday 9th October at 6pm** and anyone can access the meeting by clicking on the link below at 6pm that evening.
