Quiet Spaces Timetable

At morning interval and at lunchtime, our pupils are asked to be in the canteen or the ground floor social space, or any of our outdoor spaces, or at any of our wider achievement/extra-curricular clubs. They are not permitted to be in stairwells or in corridors around the school. We recognise that some of our young people find it difficult being in a busy social space with large numbers of other young people is not. We therefore also have a 'quiet spaces' timetable, whereby staff have volunteered to be in their classrooms each week to supervise individual pupils or small groups who wish to go somewhere quiet at break or lunch. The Quiet Spaces timetable is attached to this e-mail for your information.

PE Classes

We would be very appreciative if you could encourage your child to make use of the valuables box for anything that they have of value during PE lessons, which our PE staff ensure is kept locked away throughout the period. This includes mobile phones and sums of cash, as the changing rooms themselves are not supervised throughout each period.

School App

At Liberton High School, we have a School App, in addition to our school website ([Home - Liberton High School](#)) which we use to communicate information to our school community. We are working this session on continuing to develop our communication with parents and carers, and over the coming months we are aiming to align all communications so that there will be duplication of information across what goes onto our App and onto our Website, and what is e-mailed out.

The flyer about our App, and how you can access it, is attached to the e-mail with this update.

School Photos – Monday 25th September

A photographer will be at school on Monday 25th September to take individual photos of our S1, S2 and S3 pupils, and a group photo of our S6 pupils (full school uniform for the group photo is required). The timetable for this is on the next slide.

The photographer will return in November for the S4, S5 and S6 individual photos.
