New Timetable 2026

On Monday 1st June, we start our new timetable, where each pupil moves up into the next school year.

That morning, house class will be extended until 9.30 to allow pupils to be issued with their new timetables and a range of information for the upcoming year, including their **annual data pack** which they will bring home to be completed by a parent or carer.

*****FAMILIES OF CURRENT S1 PUPILS**** - please be reminded that when our S1 pupils move into S2, the configuration of pupils in practical sets will change (eg for subjects such as Science, CDT, Music, Art and Design, Computing), as happened last year when our S1s went into S2. This is to allow pupils an opportunity to mix with and get to know a wider range of pupils for a year, before moving into S3 when pupils have selected their subjects and will be grouped in classes according to the subjects they chose.*

Pupils will remain in the same classes next year for non-practical classes (English, Mathematics, PSE, Social Subjects, Modern Languages).
